Dear Kids,

This "Just be Safe" coloring book is provided to you with the hope that you will participate in Child Safety activities with your family and friends.

Because you cannot always be in the company of an adult, many of you are often faced with threats to your safety. This coloring book is designed to be a fun way for you to learn some basic safety rules.

The Legislature is always working to improve the laws and create new ones that will protect you while you're at home and at school.

Please take the time to learn the safety tips contained in this coloring book. Everyone can play a role in making sure that all the children of California are safe.

Be good, be safe.

Your Assemblymember,

*Mark Leno*
